## Portugal 2012

We are very pleased to be offering again this year one of our favorite destinations. Many have said they would have liked to return again, so we are now offering you Portugal 2012. We would welcome any new folks who would be interested in going. We have used **Clube Humbria** for the last 5 years and it's the perfect place in the Algarve.

Our groups loved the Clube Humbria. It is a little quieter, with easy parking. It is shaped like a triangle, with the Lobby, Dining Room and Theatre at one end (where they have Entertainment nightly). All the apartments are the same with separate bedroom - kitchen - dining area - a living-room area and a 4 piece bathroom. It has an air conditioner/furnace in the living room and one in the bedroom. A nice sized balcony with 2 sets of patio doors. No "ground"

apartments - 3 storey buildings -with an elevator in each building. Outdoor pool - not heated. Kitchen has a toaster, coffee maker, microwave (can be tucked into the cupboard if more space is required) 2-burner stove - fridge and cupboards with utensils etc in them. Pots & pans - tea towels - TV etc. Lots of parking at the front of the hotel as well as parking in an underground garage and parking is free.

There are restaurants within easy walking distance (3 min walk) - banks - post office, shops and a super market. Two pastry stores...great spot to have a coffee & sweet during the day! The **Riveria Los Brisas** has a wonderful bakery ...the BEACH with fishing boats is **OLHOS d ' AGUA** with restaurants on the way down to the beach perhaps 10 - 25 minute walk maybe less but it is an interesting walk. Easy walk down - slower on return. Restaurant AMBROSIO & NECTAR - was a real hit (about half way down to the beach).

We added a **FULL Buffet BREAKFAST DAILY** several years ago and everyone is **VERY** pleased! Juice, coffee & tea - fresh fruits - cheeses - yogurt - toast - jams - bacon - eggs - ham - cereals. This is a real plus! We thought you might like it instead of messing up the kitchen first thing in the morning! **EXCELLENT BREAKFAST!!**

We will have temperatures of 60/74 - NOT a hot destination - but very pleasant & great for sight-seeing!!! Yes, a nice pool - not heated but many jump in near the end of our stay.

Again in 2012 we are giving you an **OPTION** regarding the CAR rentals. Some clients did not wish - some wanted to share, which is fine BUT you must book them in advance with us before your arrival in the Algarve. Booking in advance will save you much money - so do not wait until you arrive in Portugal to hire a car!!!!

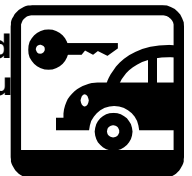

The rates are more expensive if you wait.

The CARS are MANUAL with UNLIMITED MILES, VAT TAX and COLLISION DAMAGE WAIVER included. Automatic cars are available but very expensive to rent. The Manual cars are much better in regards to going further on a tank of gas.

We pick up our Cars at the hotel and then at the end of our 3 week stay we leave them at the hotel. Not included but offered is the Super CDW - Government road tax (not expensive) which gives you 100% insurance coverage even if you are at fault - paid when you pick up cars.

**NOTE: THEY DRIVE ON THE SAME SIDE OF ROAD AS WE DO!! A valid driver's license is all you require - NO AGE LIMIT!!!! Please note you DO NOT require an INTERNATIONAL driver's license.**

For those who do not wish a car we have lots of options to keep you busy! Our Spain, Gibraltar, Tangiers option is highly recommended as is the Jeep Safari - Eco Tour. You will receive a complete list of options available prior to departure!!

We always receive excellent feedback from our Portugal tours, and it is what you make it as well. Enjoy the people, the aparthotel and the countryside. Keep in mind that the HAY'S escorts are there to assist you. PLEASE call them in their room if there is a serious problem. We cannot help if we don't know!

**You will require a VALID PASSPORT and must be VALID 6 months beyond return date. \*\*\* IMPORTANT!!!!**

Portugal is still an excellent destination and priced right. We would love to have you join us. We are holding 22 seats - so book now while the seats are available.

**EXTRA!!! For your information Mike & Verna Purcell are staying an extra week. If by chance you also wish to join them the dates are February 21 to March 21, 2012. The extra cost for the additional week will be \$200.00 per person which includes the Buffet Breakfasts daily!! Availability for the 1 week extension is based on the air schedule (Feb 21 to Mar 21/12).**

If you have any questions please feel free to call us - 1-800-387-7169 (office) or Lorne and Betty at 1-705-764-3707 (cottage).
